Thank you for your interest in our Utah Women’s Health Coalition. Our mission, to promote optimal health for all Utah women through collaborative planning, community action, and policy/systems change, can only be strengthened through the active participation of partners such as yourself.

Enclosed you will find several products to help you gain a better understanding of the Coalition. Your review of our By-Laws, Workplan, and Coalition membership will assist you in comprehending who we are and what we hope to achieve. We are a diverse group of stakeholders who are committed to a collaborative, evidence-based approach to improve the health of Utah women.

The Coalition was formed in the fall of 2006 with funding support from the U.S. Department of Health and Human Services, Office on Women’s Health, Region VIII. Membership in the Coalition can offer the following benefits:

• Opportunity to network with stakeholders in Women’s Health from private, public, non-profit, government, academia and community organizations

• Ability to leverage resources to accomplish individual and organizational goals related to improved health for Utah women

• Forum in which to address Women’s Health through a comprehensive approach that includes the following seven domains: physical; psychological, emotional/mental; social; intellectual; environmental; economic/occupational; and spiritual
